TodoVino, Madrid, Spain**

For enquiries please contact Ricard Giner on ricard@todovino.com

A note about prices

The recent change in UK VAT to 15% has been accompanied by an increase in duty, from £1.46 per 75cl bottle to £1.58. This has an adverse impact on lower cost wines, but a positive impact on the sort of wines stocked by TodoVino. For example, a €10 wine at previous prices is now about 0.6% cheaper, a €15 wine about 1.1% cheaper, a €20 wine about 1.3% cheaper, a €30 wine about 1.6% cheaper, a €40 about 1.8% cheaper, and a €90 wine about 2% cheaper.

Any changes to VAT and duty will be passed on to the customer. We endeavour to give our UK customers the best possible price. However, one thing we cannot influence is the exchange rate, and at the moment the low pound means that wines with the same price in euros as last year are costlier to purchase in pounds.
